A Wet Dream?
W-
It's 'cuz, you know! Guys are always thinking about ero stuff like that
They can't hold it in, and then they get all wet and stuff
It's creepy!
What's with that?
That's so nasty~
What's that?
The thing with guys is...
they have wet dreams a lot
It's when they're sleeping and they start to get really horny
It happened with my little brother this morning
BOY MEETS GIRL
ボーイミーツガール　オールミーツボーイ
I... I think it... happens when I can't masturbate enough...
The feeling keeps building up in my chest...
and I feel like I have to do it no matter what
That's why...
I usually masturbate at least o-once a month...
Then you have a wet dream
I-Is that how it is if you don't jerk off..
Yeah... I have.
Had a wet dream... I mean
YOU HAVE !?
But how do guys get all wet and stuff...
Ah... no, I...
It's no big deal really
